

SAE INSTITUTE OF TECHNOLOGY ALUMNI APPLICATION

SUBMISSION INFORMATION

This scholarship is made available for alumni of SAE Institute who graduated in the Diploma in Audio Technology (clock hour) program and are enrolling in the Associate of Applied Science (AAS) in Audio program. Individual awards are up to \$5,000 and are provided by SAE Institute of Technology.

Candidates for the scholarship will have graduated from the Diploma in Audio Technology (clock-hour) program and have been accepted into the AAS in Audio program.

To be considered for the scholarship, a student must be planning on attending the AAS in Audio program. The application includes the scholarship application and a completed and processed Free Application for Federal Student Aid (FAFSA), for those participating in Title IV programs. All materials must be received prior to the start of the next module.

Students awarded the scholarship will have the total award amount divided across their remaining payment periods of enrollment in the program. Payment of the award is made as a credit against their total balance on their student ledger at the successful completion of each semester.

Students that withdraw or are terminated due to non-attendance, code of conduct violations or otherwise fail to complete the module will have the award amount prorated to the percentage of the semester completed. The scholarship has no cash equivalency.
